

March & April Newsletter

Prayer

Lord Jesus, thank you for inviting us to be part of your story-the story of your love for us, for all people, and for all your creatures.

Help us to live our faith each day with love, generosity and joy, so that we can BE that story for others, and help others to know and love you.

We ask this, Jesus, in your name. Amen

School News

Weather Appropriate Clothes

Please continue to ensure your children are dressed appropriately (i.e. coats, gloves, mitts, boots, hats, etc.) as this ensures they are prepared to participate in outdoor activities during recess. Please be advised that students remain indoors **ONLY** when weather conditions are extremely cold. (***When the wind chill equivalent temperature is minus 25 degrees Celsius or lower***).

Inclement Weather

Although the weather is warming up, we are not quite there yet. Please remember that Holy Cross is in the **Central Weather Zone**. Updates on bus cancellations can be found at simcoecountyschoolbus.ca

Also, if your children are walkers, and they do not attend school on an inclement weather day, please contact the school for Safe Arrivals (Safe Arrival voicemail is available 24/7)

Kindergarten Registration

Registration began at the end of January. Please contact the school for more information. If you know a family planning to register at HCC, please encourage them to contact the school ASAP. New registrants must live within the HCC school boundary and provide a Catholic Baptism Certificate (either parent or child).

Attendance

As our school is transitioning to electronic attendance, parents are asked to use the online Safe Arrival form or call the Main Office directly rather than sending notes to teachers regarding attendance. As always, parents can leave a message on the school's answering service 24/7.

Next Newsletter

The next HCC school newsletter will be sent out at the end of April.
